

PATIENT RIGHTS Northeast Endoscopy

- 1) The privacy of all patients shall be respected at all times. Patients shall be treated with respect, consideration and dignity.
- 2) Patients shall receive assistance in a prompt, courteous, and responsible manner.
- 3) Patient medical records are considered confidential. Except as otherwise required by law, patient records and/or portions of records will not be released to outside entities or individuals without patients' and/or designated representatives' express written approval.
- 4) Patients have the right to know the identity and status of individuals providing services to them.
- 5) Patients have the right to change providers if they so choose.
- 6) Patients, or a legal authorized representative, have the right to thorough, current and understandable information regarding their diagnosis, treatment options and prognosis, if known, and follow-up care. All patients will sign an informed consent form after all information has been provided and their questions answered.
- 7) Patients have the right to refuse treatment and to be advised of the alternatives and consequences of their decisions. Patients are encouraged to discuss their objectives with their provider
- 8) Patients have the right to express complaints about the care they have received and to submit their grievance to the Clinical Supervisor who will complete an "Adverse Event Notification" and bring the issue to the attention of the Medical Director in a timely manner so the grievance may be addressed. Patients may by pass this step and contact the Office of the Medicare Beneficiary at <http://www.medicare.gov/Ombudsman/resources.asp> or contact the Composite Sate Board, 404-657-6487
- 9) Patients have the right to be provided with information regarding emergency and after-hours care.
- 10) Patients have the right to obtain a second opinion regarding the recommended procedure. Responsibility for the expense of the second opinion rests solely with the patient.
- 11) Patients have the right to a safe and pleasant environment during their stay.
- 12) Patients have the right to have procedures performed in the most painless way possible.
- 13) Patients have the right to an interpreter if required.
- 14) Patients have the right to be provided informed consent forms as required by the laws of the State of Georgia.
- 15) Patients have the right to have visitors at the Center as long as visitation does not encumber Center operations and the rights of other patients are not infringed.
- 16) Patients have the right to develop Advance Directives
- 17) Patients will be provided, upon request, all available information regarding services available at the Center, as well as information about estimated fees and options for payment.

PATIENT RIGHTS Northeast Endoscopy

PATIENT RESPONSIBILITIES

- 1) Patients are expected to provide complete and accurate medical histories including providing information on all current medications, keep all scheduled pre- and post-procedure appointments and comply with treatment plans to help ensure appropriate care.
- 2) Patients are responsible for reviewing and understanding the information provided by their Physician or nurse.
- 3) Patients are responsible for understanding their insurance coverage and the procedures required for obtaining coverage.
- 4) Patients are responsible for providing insurance information at the time of their visit and to notify the receptionist of any changes in information regarding their insurance or medical information.
- 5) Patients are responsible for paying all charges for co-payments, co-insurance, deductibles on non-covered services at the time of the visit unless other arrangements have been made in advance with the Medical Practice.
- 6) Patients are responsible for treating Center Physicians and Staff in a courteous and respectful manner.
- 7) Patients are responsible for asking questions about their medical care and to seek clarification from their physician of the services to be provided until they fully understand the care they are to receive.
- 8) Patients are responsible for following the advice of their provider and to consider the alternatives and/or likely consequences if they refuse to comply.
- 9) Patients are responsible for expressing their opinions, concerns or complaints in a constructive manner to the appropriate personnel at the Center.
- 10) Patients are responsible for notifying their health care providers of patient's Advance Directives.

NOTE: ADVANCE DIRECTIVES WILL NOT BE HONORED AT THIS FACILITY.

In case of an adverse event you will be transferred to a higher level of care. You may have your procedure done at the hospital if you wish the enforcement of an advance directive.
